This Amendment is submitted under 35 U.S.C. 135(b)(1) in order to present claims that are copied in significant part from U.S. Patent No. 7,083,803 ("the Peyman patent"), issued on August 1, 2006. The Amendment is submitted before one year after the date on which the Peyman patent was issued. This Amendment is not a response to the non-final Office Action issued on July 6, 2007; rather, that Office Action will be addressed in a separate filing. Entry of this Amendment is respectfully requested.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.
